2 Read and listen. Who are the people in the pictures?

**Ambitions**

1 My nearest Tilda. I want to be an actress. I've been in some plays at the theatre. Last year, I was in our school play. I haven't been on TV or in a film, but I'd love to. My favourite actress is Emma Stone. I've seen nearly all her films. She becomes famous when she was very young, but she hasn't done anything silly like taking drugs and things like that. When she was only seventeen, she starred in the film *Dead Poets Society*. Since then, she's been in lots of films. My favourite one is the Pirates of the Caribbean film with Johnny Depp. I like him, too. She's also done a lot of work for charity, like Water Aid. This charity helps to bring clean water to poor people in Africa. She's given some of her own money to charities, too.

2 My nearest Ben. I want to be a Formula One driver. I've driven a go-kart lots of times, and I'm pretty good at it. I've won several races. Last week, I was in the County Championship. I didn't win it, because my car broke down. My hero is Sebastian Vettel. He started go-karting when he was only eight years old. Then he moved up to bigger and bigger cars, and in 2007 he became a Formula One driver. Since then, he's won lots of races and in 2010, he became the youngest driver to win the Formula One World Championship. I haven't seen a real Grand Prix because I don't live near a motorcircuit. I've only watched them on TV, but I'd love to go to one and see Sebastian Vettel.

3 Read the texts again. Complete the chart.

Name	Hero / Heroine
Tilda	
Ben
